SUPPLEMENTAL ORDER

By Decision No. 88075, issued on November 1, 1977, the Commission ordered reopening of the proceedings in the above-entitled applications to consider the issue of treatment of income tax expense. By an error set forth in the second paragraph of said decision, the said issue was too narrowly defined. In order to correct said error,

IT IS ORDERED that the second ordering paragraph of Decision No. 88075 is corrected to read as follows:

IT IS FURTHER ORDERED that hearings in said reopened proceedings shall be limited to the issue of income tax treatment as an expense item for Air California.

The Executive Director shall serve a copy of this order on all parties to these proceedings.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 8th day of NOVEMBER, 1977.
