Application No. 57134
(Filed March 9, 1977)

ORDER OF DISMISSAL

We hereby find that the motion to dismiss on the ground of ambiguity filed by protestant SFO Airporter, Inc. on July 18, 1977 is well taken in that it is impossible to determine what specific authority applicant seeks; we further find that applicant has failed to respond to said motion or amend his application; and we conclude that the motion should be granted.

IT IS ORDERED that this application is dismissed.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 6th day of DECEMBER, 1977.
