Decision No. 88300

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application  
of CALIFORNIA-PACIFIC UTILITIES  
COMPANY, a California corporation,  
for authority to revise its  
electric rate structure and  
establish an energy conservation  
program in its Lassen Division.

Application No. 57266  
(Filed April 29, 1977)

ORDER CHANGING EFFECTIVE DATE OF TARIFFS

The utility has requested that its tariff filing in Decision No. 88153 become effective on January 1, 1978 instead of five days from the date of filing, or December 28, 1977, in order to simplify tariff administration. The filing changes the form of the rates only and does not change the total amount of a bill.

IT IS ORDERED that Decision No. 88153 is changed as follows:

In Ordering Paragraph 2 change "five days from the date of filing" to "on January 1, 1978."

This order is issued pursuant to Section 308 of the Public Utilities Code and Resolution No. A-4661.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 23rd  
day of DECEMBER, 1977.

  
\_\_\_\_\_  
PHILLIP E. BLECHER  
Executive Director  
Of the Public Utilities  
Commission of the State of California
