Service between various points in)
Mammoth Lakes, California.)

Application No. 55621

ORDER OF REVOCATION

By Decision 85180, as amended by Decision 85583 in Application 55621, Richard Parent and David Greenlee, doing business as Mammoth Lift Lines, were granted a Certificate of Public Convenience and Necessity to operate as a passenger stage corporation between various points in the Mammoth Lakes area.

Since July 5, 1976, Mammoth Lift Lines has had no evidence on file with this Commission showing adequate protection against liability imposed by law for payment of damage for personal injury or property damage, as required by General Order 101-C.

On December 1, 1977 the Commission staff sent a letter to Richard Parent and David Greenlee placing them on notice that the staff would recommend to the Commission that their authority be revoked unless they either filed evidence of liability insurance or gave a written explanation of their intentions to operate the service. The Commission staff has not received any response from them.

It appears and the Commission finds that these matters constitute good cause for the revocation of the aforementioned certificate and that such revocation would not be adverse to the public interest. The Commission, therefore, concludes that the certificate should be revoked and that tariffs and timetables applicable to the service thereunder should be canceled.

IT IS ORDERED that the Certificate of Public Convenience and Necessity to operate as a passenger stage corporation authorized by Decisions 85180 and 85583 in Application 55621 is hereby revoked and

all effective tariffs and timetables on file with the Commission in the name of Richard Parent and David Greenlee, doing business as Mammoth Lift Lines, are canceled upon the effective date of the order.

The Executive Director shall mail a certified copy of this order to Richard Parent and David Greenlee, 822 No. Hollywood Way, in Burbank, CA 91505, last known address as shown on the Commission's records.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 17th day of JANUARY, 1978.
