Decision No. 88589

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of the Estate of John E. Cook doing business as Desert Stage Lines, a sole proprietorship, and Ardella Cook, his surviving spouse, for authority to transfer the certificate of public convenience and necessity and assets of the business.

Application No. 57691
(Filed November 16, 1977)

ORDER CORRECTING DECISION 88561

It has come to the Commission's attention that the deadline date of March 31, 1978 for the transfer in the first ordering paragraph of Decision 88561 conflicts with the deadline date for filing tariffs and timetables in the third ordering paragraph in such a way as to make it impossible for the carrier to comply with the Commission's order.

Pursuant to Resolution No. A-4661,

IT IS ORDERED that the first ordering paragraph of Decision 88561 is amended as follows:

"1. On or before May 31, 1978, (the Estate of) John E. Cook, doing business as Desert Stage Lines, may transfer the operative rights and property referred to in the application to Ardella Cook."

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 21st day of MARCH, 1978.

PHILLIP W. BLECHER
Executive Director
of the Public Utilities
Commission of the State of California
