Application No. 57847  
(Filed February 2, 1978)

ORDER OF DISMISSAL

By Decision No. 86193 dated August 3, 1976 in Application No. 55538 and Case No. 10093, the Commission imposed the following restriction upon Citizens Utilities Company of California (Citizens), Montara District:

"3. Respondent shall make no new connections until such time as it can demonstrate a sufficient water supply to provide for additional customers without adversely affecting service to existing customers. Respondent shall exempt therefrom all applicants for service having a building permit issued prior to August 3, 1976."

Henry and Lucille Matosoff filed this application requesting an order which would permit them, as an exception to the above ordering paragraph, to receive service from Citizens' Montara District.

On March 21, 1978, by Decision No. 88618 in Case No. 10093, the Commission authorized applicants holding a valid sewer permit to be connected to the Montara District water system of Citizens. Applicants Henry and Lucille Matosoff allege that they have a sewer permit good until July 1978 and therefore qualify for service pursuant to Decision No. 88618.

Based on the facts, the Commission finds that the relief sought in this application has already been granted by Decision No. 88618 and concludes that the application should be dismissed.

IT IS ORDERED that Application No. 57847 is hereby dismissed.  
The effective date of this order is the date hereof.

Dated at San Francisco, California, this 2nd  
day of 1 MAY, 1978.
