Decision No. 88764 MAY 2 1978

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of Robbie G. Garzini and  
Rebecca S. Garzini, for exemption from  
the provisions of Decision No. 86193,  
and for emergency water service from  
Citizens Utilities Company of California.

Application No. 57899  
(Filed February 27, 1978)

O P I N I O N

Applicants, Robbie G. Garzini and Rebecca S. Garzini, request that the Commission issue an order authorizing a water service connection to their property at 70 Madrone Avenue, Moss Beach, California, as an exemption from the provisions of Decision No. 86193. They state that they have a valid sewer permit, which will expire in June, 1978, with attendant loss of the filing fee of \$500 if they can't get water service.

Ordering Paragraph 3 of Decision No. 86193 states:

"3. Respondent shall make no new connections until such time as it can demonstrate a sufficient water supply to provide for additional customers without adversely affecting service to existing customers. Respondent shall exempt therefrom all applicants for service having a building permit issued prior to August 3, 1976."

On March 21, 1978, subsequent to the filing of this application, the Commission issued Decision No. 88618 in Case No. 10093, which was effective on the date issued. That decision,

A. 57899 FG

in Ordering Paragraph No. 2, lifts the ban on water service as follows:

"2. On and after the effective date of this order, applicants for water service having a valid sewer permit may be connected to the Montara District water system of Citizens Utilities Company of California."

As the applicants have a valid sewer permit they may now receive water service upon making appropriate request therefor to the Citizens Utilities Company of California, Montara District.

The Commission concludes that the application should be dismissed.

O R D E R

IT IS ORDERED that the application is dismissed.

The effective date of this decision shall be thirty days after the date hereof.

Dated at San Francisco, California, this 2nd day of MAY, 1978.
