ORDER GRANTING LIMITED REHEARING

California Trucking Association has filed a petition for rehearing of Decision No. 88680. The Commission having considered each and every allegation thereof is of the opinion that rehearing should be granted for the limited purpose of allowing Twin Express, Inc., to serve its known competitors with copies of its application as required by Rule 42.1 of the Rules of Practice and Procedure and of giving these known competitors the opportunity to file protests under Rule 42.2 of the Rules of Practice and Procedure; therefore,

IT IS ORDERED that Twin Express, Inc., shall serve its known competitors with copies of its application, and these competitors shall be given an opportunity to file protests to the application pursuant to Rule 42.2 of the Rules of Practice and Procedure. If

protests are filed within 20 days of the date of service by Twin Express, Inc., the Commission shall then determine whether a hearing on the matter is necessary.

Dated at San Francisco, California, this 31st day of MAY, 1978.
