Decision No. 89127 JUL 25 1978

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application
of THE PACIFIC TELEPHONE AND
TELEGRAPH COMPANY, a corporation,
for authority to sell certain
outside plant facilities serving
the Roseville exchange to the
ROSEVILLE TELEPHONE COMPANY.

Application No. 58106
(Filed May 30, 1978)

O P I N I O N

The Pacific Telephone and Telegraph Company (Pacific) by the above entitled application seeks authority under Section 851 of the Public Utilities Code to sell to Roseville Telephone Company (Roseville) certain outside plant facilities located in Roseville. A description of the plant and conditions of sale is contained in the Purchase and Sales Agreement, Exhibit 1, and Bill of Sale, Exhibit A, of the application.

Pacific no longer needs the conduit system with associated manhole as its message toll point of connection has been changed from the Roseville main central office to a Pacific Company-owned repeater hut.

No traffic, land, or buildings; only rights-of-way and equipment are involved in this sale.

The companies have determined the estimated structural value to Roseville to be \$10,925. (This amount is taken from the exhibits; the narrative in the application contains a typographical error and lists the amount as \$10,975.) Roseville has agreed to pay, and Pacific has agreed to accept \$10,925 plus a prorated portion of property taxes as of the date of sale. The original book cost was \$5,725.03. The depreciation reserve is \$3,400.67 for a net book cost of \$2,324.36. ✓

The action taken herein shall not be construed to be a finding of value of the property authorized to be transferred.

The Commission finds that the proposed sale will be in the public interest, and that a public hearing is not necessary.

O R D E R

IT IS ORDERED that:

1. Pacific is authorized to sell and transfer to Roseville, the outside plant facilities described in the Bill of Sale attached to the application as Exhibit A, and to complete such transaction in accordance with the terms of the Purchase and Sales Agreement attached to the application as Exhibit 1.

2. Pacific and Roseville shall account for the sale of the telephone facilities in accordance with the provisions of the Uniform System of Accounts for Class A and Class B Telephone Companies, and, within sixty days after completion of the transfer, each shall file a copy of each journal entry used to record the sale/purchase on its books to the Commission.

3. If the authorization herein granted is exercised, Roseville shall, within thirty days thereafter, notify this Commission in writing of the date of such completion of the property transfer, and shall file a true copy of the bill of sale or other instrument of transfer.

A. 58106 FG

4. The authority granted herein shall expire one year after the effective date of this order.

The effective date of this order shall be thirty days after the date hereof.

Dated at San Francisco, California, this 25th
day of JULY, 1978.
