Application No. 58047
(Filed May 4, 1978)

SUPPLEMENTAL OPINION AND ORDER

Decision 89212 dated August 8, 1978, in this proceeding, granted a certificate of public convenience and necessity as a petroleum irregular route carrier of petroleum products transported in tank trucks or tank trailers to Telfer Tank Lines, Inc. It has been brought to the attention of the Commission's staff that the abbreviation "Inc." was inadvertently omitted wherever the corporate name was stated in the decision and the appendix thereto.

In the circumstances, it appears that the necessary corrections should be made by the order herein by adding the abbreviation "Inc." wherever reference is made to the corporate name.

IT IS ORDERED that Decision 89212 be amended by adding the abbreviation "Inc." after each reference to the corporate name of the applicant, i.e. "Telfer Tank Lines", in the decision and in Appendix A thereof.

This order is issued pursuant to Resolution A. 4661 dated March 9, 1977 and is effective on the date hereof.

Dated at San Francisco, California, this 16th day of SEPTEMBER, 1978.
