Decision No. 89392 SEP 19 1978

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of General Telephone Company of California, a corporation, for authority to increase its rates and charges for telephone service.

Application No. 51904
(Filed May 15, 1970)
(Amended July 17, 1970)

Investigation on the Commission's own motion into the rates, tolls, rules, charges, operations, separations, practices, contracts, service and facilities of General Telephone Company of California.

Case No. 9100
(Filed August 4, 1970)

ORDER GRANTING PETITION
FOR MODIFICATION OF DECISION NO. 79367

By petition filed June 28, 1978, General Telephone Company of California (General) requested an ex parte order authorizing discontinuance of filing semiannual reports on the progress of General's Business Information Systems (BIS) project as required in Ordering Paragraph No. 2 of the Commission's Decision No. 79367. Pursuant to said decision, General was ordered to file reports for the period required to implement BIS.

Inasmuch as the BIS project has been completed, we find there is no further need for the reports and that there is no need for hearing; therefore,

A. 51904, C. 9100 FG*

IT IS ORDERED that:

1. Ordering Paragraph No. 2 of said decision shall herewith be nullified.

2. General may discontinue filing semiannual reports on the BIS project.

The effective date of this order shall be thirty days after the date hereof.

Dated at San Francisco, California, this 19th day of SEPTEMBER, 1978.
