(Filed October 11, 1977)

ORDER AMENDING DECISION NO. 89014

By Decision No. 89014 dated June 27, 1978, Federal Transportation Company (Federal) was authorized in part to:

"...transport passengers and their baggage between Travis Air Force Base near Fairfield on the one hand, and the Oakland Army Terminal and the Oakland Harbor Terminal in Oakland and Sacramento Metropolitan Airport and Oakland International Airport on the other hand, with intermediate stops at Davis, Vacaville, and Vallejo over and along the route..."

Federal, in its original application, had requested to service Fairfield as an intermediate stop between Sacramento Metropolitan Airport and the Oakland Army Terminal and the Oakland Harbor Terminal. Inadvertently, Appendix A to Decision No. 89014 omitted Fairfield as an intermediate stop. There were no protests.

On July 7, 1978 applicant filed a petition for modification requesting that Decision No. 89014 be amended to include Fairfield as an intermediate stop.

Because Second Revised Page 2 of Appendix A of Decision No. 89014 was inadvertently omitted, the Commission concludes that the petition should be granted to include Fairfield as an intermediate stop between the Sacramento Metropolitan Airport on the one hand, and the Oakland Army Terminal and the Oakland Harbor Terminal on the other hand.

IT IS ORDERED that Appendix A to Decision No. 89014 is amended by substituting the attached Third Revised Page 2 for Second Revised Page 2 of Appendix A to Decision No. 89014.

The effective date of this order shall be thirty days after the date hereof.

Dated at San Francisco, California, this 19th day of SEPTEMBER, 1978.
