Application No. 56104

ORDER OF REVOCATION

By Decision 85924 dated June 8, 1976, in Application 56104, William Patrick O'Brien was granted a Certificate of Public Convenience and Necessity to operate as a passenger stage corporation between certain points in Salinas Valley, on the one hand, and Calexico, on the other hand, on a seasonal basis approximately between March 1 and September 30 of each year when seasonal workers are engaged by growers to work in fields in the Salinas Valley area.

Since November 21, 1976, William Patrick O'Brien has had no evidence on file with this Commission showing adequate protection against liability imposed by law for payment of damage for personal injury or property damage, as required by General Order 101-C.

On August 11, 1978, the Commission staff received a letter from the carrier stating that it has been out of business since October 1976.

It appears and the Commission finds that these matters constitute good cause for the revocation of the aforementioned certificate and that such revocation would not be adverse to the public interest. The Commission, therefore, concludes that the certificate should be revoked and that tariffs and timetables applicable to the service thereunder should be canceled.

IT IS ORDERED that the Certificate of Public Convenience and Necessity to operate as a passenger stage corporation authorized by Decision 85924 in Application 56104 is hereby revoked and all effective tariffs and timetables on file with the Commission in the name of William Patrick O'Brien are canceled upon the effective date of this order.

A. 56104 TLR

The Executive Director shall mail a certified copy of this order to William Patrick O'Brien at 123-B 4th Street, Los Osos, CA 93402, last known address as shown on the Commission's records.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 3rd day of OCTOBER, 1978.
