SUPPLEMENTAL OPINION AND ORDER

Decision 89416, dated September 19, 1978, in the above proceeding, established revised rates in Minimum Rate Tariff 8-A (MRT 8-A) for the statewide transportation of fresh fruits and vegetables from points of production to wholesale and retail markets.

It has come to the Commission's attention that certain rates were not adjusted to reflect the intent of the aforementioned decision.¹

In the circumstances, the Commission finds that the necessary corrections should be made by the order herein. The Commission concludes that MRT 8-A should be amended accordingly.

IT IS ORDERED that:

1. Minimum Rate Tariff 8-A (Appendix B to Decision 85826, as amended) is hereby further amended by incorporating therein, to become effective October 14, 1978, Second Revised Page 45 attached hereto, which page by this reference is made a part hereof.

¹Rates in Items 430 and 440 of MRT 8-A were not adjusted by Decision 89416 and will be adjusted herein as proposed in Exhibit 118-6.

2. Tariff publications of common carriers shall be made effective not earlier than October 14, 1978 on not less than one day's notice to the Commission and to the public.

3. In all other respects Decision 85826, as amended, shall remain in full force and effect.

The effective date of this order is the date hereof.
