tion for the purpose of consid-)
ering and determining minimum)
rates for transportation of any)
and all commodities statewide)
including, but not limited to,)
those rates which are provided)
in Minimum Rate Tariff 2 and the)
revisions or reissues thereof.)

Case No. 5432
Petition for Modification
No. 1001

FOURTH SUPPLEMENTAL OPINION AND ORDER

It has come to the Commission's attention that Decision 89355 does not reflect the intent of said decision with respect to the incorporation of the surcharges in Items 507, 508, 509, 509.5, 510, 520, 620, 630, 720, 740 and 745 in Minimum Rate Tariff 2 in Decision 88693 dated April 11, 1978.

In Decision No. 89355, the truckload class rates in Items 507 and 508 were increased in accordance with the formula adopted by the Commission in Decision No. 74310, 68 CPUC 445 and results in a level of truckload class rates historically related to the 20,000 pound minimum rate scale. This has resulted in higher truckload class rates in the lower mileage blocks and lower mileage rates for greater distances than would have been obtained were the applicable surcharge integrated into the rates directly. In this instance in order to avoid unequal distribution of the value of the existing surcharge to the truckload class rates, we have directly related the effective surcharge to the rates without considering any historical relationship in establishing such truckload rates and other related minimum rate scales.

Decision 89355 was intended to incorporate the surcharges adopted in Decision 88693 directly into the applicable minimum rates and charges. Decision 89355 should be amended to reflect this intent.

The revisions adopted herein render moot the petition for rehearing filed by the California Manufacturers Association. Accordingly, ~~their~~ petition should be dismissed. *Amend*

IT IS ORDERED that:

1. Minimum Rate Tariff 2 (Appendix D to Decision 31606, as amended) is further amended by incorporating therein, to become effective November 5, 1978, the revised pages contained in Appendix A, attached hereto and by this reference made a part hereof.

2. Tariff publications of common carriers shall be made effective not earlier than November 5, 1978 on not less than five days' notice to the Commission and to the public.

3. In all other respects Decision 89355, as amended, shall remain in full force and effect.

4. The petition for rehearing filed by the California Manufacturers Association is dismissed. *Amend*

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 17th day of OCTOBER, 1978.
