Application No. 56964  
 (Request for Extension  
 filed November 1, 1978)

ORDER EXTENDING TIME

By letter dated October 30, 1978, from the attorney for applicant, Rancho Las Posas Water Company, to the President of the Commission, applicant requested an extension of time to December 3, 1978, to comply with Ordering Paragraph 9 of Decision No. 89448 issued October 3, 1978.

In its letter as justification for the extension of time applicant stated:

"The extension is requested because the water company is unable to assemble the requisite financial information, discuss with its parent the alternatives presented by Order No. 9, prepare the necessary contracts and obtain the necessary approvals from its parent within the thirty day period mentioned by Order No. 9. In addition, that period of time is actually less than thirty days since the opinion was received shortly after its effective date.

"It is requested that the Commission approve the extension as soon as possible."

By reason of its failure to comply with Ordering Paragraph 9 on or before November 2, 1978, applicant is presently restricted from entering into main extension contracts. To remove such restriction the effective date of this order should be the date hereof.

Therefore, IT IS ORDERED that Ordering Paragraph 9 of Decision No. 89448 issued October 3, 1978 is revised to read as follows:

9. Rancho Las Posas Water Company shall eliminate the cash drain from refunding Kaiser Aetna's advances for construction either by discounting these advances as indicated herein or by crediting refunds due to capital surplus. Rancho Las Posas Water Company shall file an executed agreement with Kaiser Aetna adopting one of these options on or before December 3, 1978. If this agreement is not filed on or before December 3, 1978, Rancho Las Posas Water Company is restricted from entering into new main extension agreements without further order of the Commission.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 9th day of NOVEMBER, 1978.
