cation of RESOLUTION NO. G-2256,)	(Filed December 7, 1978)
and for Award of Attorneys Fees.)

ORDER STAYING RESOLUTION NO. G-2256

By Resolution No. G-2256, approved November 28, 1978, certain refunds are to be made to Southern California Gas Company's G-45 customers (industrial gas engine use).

On December 7, 1978 the above-captioned petition was filed, wherein the attorney who originally represented one of the affected G-45 customers, Tehachapi-Cummings County Water District, requests attorney fees of one-third of the principal and interest recovered by the affected G-45 customers (other than Tehachapi-Cummings).

In order not to prejudice the petitioner's claim, the implementation of the refunds approved by Resolution No. G-2256 should be stayed until further order of the Commission.

Because refunds as authorized by Resolution No. G-2256 will otherwise be made in the near future, and because the Petition for Award of Attorneys Fees was just filed on December 7, 1978, this order should issue immediately.

Therefore, IT IS ORDERED that Resolution No. G-2256
is stayed until further order of the Commission.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 12th
day of DECEMBER, 1978.
