Investigation on the Commission's
 own Motion into the Determination
 of a Lifeline Volume of Gas and a
 Lifeline Quantity of Electricity
 and into Gas and Electric Utility
 Rate Structures and the Changes,
 if any, that should be made in
 Presently Constituted Rate Structures
 to Provide a Lifeline Quantity of
 Energy to the Average Residential
 User for Specified End Uses.
 (Re Phase II)

Case No. 9988
 (Petition filed
 September 15, 1978)

UNICORN INDUSTRIES, a California
 corporation,

Complainant,

vs.

SOUTHERN CALIFORNIA EDISON COMPANY,
 a corporation,

Defendant.

Case No. 10599
 (Filed June 14, 1978)

ORDER GRANTING REHEARING
OF DECISION NO. 89525

Unicorn Industries (Unicorn) has filed a petition for rehearing of Decision No. 89525. We have carefully considered each allegation in that petition and are of the opinion that good cause exists for granting rehearing for the purpose of receiving evidence on the question of whether ordering paragraph No. 4 of Decision No. 88651 should be suspended or modified. Therefore,

IT IS HEREBY ORDERED that,

1. Rehearing of Decision No. 89525 is granted; said rehearing to be for the limited purpose of receiving evidence on the issue of whether ordering paragraph No. 4 of Decision No. 88651 should be suspended or modified.

2. Said rehearing to be consolidated with the further hearings in these proceedings now set for 10:00 a.m. January 23, 1979, before Administrative Law Judge Norman Johnson in the Commission Courtroom, State Building, 107 So. Broadway, Los Angeles, California.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 12th day of DECEMBER, 1978.
