Application No. 58090
(Filed May 24, 1978)
(Amended August 7, 1978)

SUPPLEMENTAL OPINION AND ORDER

Decision 89480 dated October 3, 1978 in this proceeding granted a certificate of public convenience and necessity as a highway common carrier of general commodities to George J. Pandolfo, an individual, doing business as Service Truck Lines. Certain commodities normally transported under other types of operating authority are excluded from the general commodity certificate. It has been brought to the attention of the Commission's staff that one of these standard exclusions, i.e., "Livestock, etc." has been inadvertently omitted.

In the circumstances, it appears that the necessary correction should be made by the order herein and that Appendix A of Decision 89480 should be amended accordingly. The effective date of this order should be the date on which it is signed since there is no known opposition and no reason to delay correcting the discrepancy.

IT IS ORDERED that Decision 89480 is amended by substituting the attached First Revised Pages 3, 4 and 5 of Appendix A in place and instead of Original Pages 3, 4 and 5.

A. 58090 - EK

This order is effective on the date hereof.

Dated at San Francisco, California, this 19th
day of DECEMBER, 1978.
