Through inadvertence, Decision 89731 failed to include
in the Ordering Paragraph the minimum amount of time in which the
the applicants shall notify the public and the Commission before the tariff
and timetable becomes effective. The following order will provide
for the appropriate requirement.

IT IS ORDERED THAT:

Ordering Paragraph 2(e) shall be added as follows:

- (e) The tariff and timetable filings shall be made effective not earlier than January 21, 1979 on not less than ten days' notice to the Commission and the public, and the effective date of the tariff and timetable filings shall be concurrent with the establishment of the authorized service.

In all other respects Decision No. 89731 shall remain in full force and effect.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 4th day of JANUARY, 1979.
