irregular route carrier certifi- )  
cates. )

Application No. 58557  
(Filed December 29, 1978)

ORDER OF DISMISSAL

On December 29, 1978, attorney for the applicants filed a Motion to Dismiss Application for Lack of Jurisdiction pursuant to Rule 42 of the Commission's Rules of Practice and Procedure.

In the circumstances, it appears that the applicants' assertion of the exclusive and plenary jurisdiction of the Interstate Commerce Commission in this matter is correct, and the application should be dismissed accordingly.

IT IS ORDERED that Application 58557 is hereby dismissed.

This order is issued pursuant to Resolution A4661 dated March 7, 1977 and is effective on the date hereof.

Dated at San Francisco, California, this 23d  
day of JANUARY, 1979.

  
FREDERICK E. JOEN  
Executive Director  
Public Utilities Commission  
State of California
