Application No. 58481
(Filed November 21, 1978)

ORDER DENYING STAY
OF DECISION NO. 89783

Toward Utility Rate Normalization (T.U.R.N.) has filed a petition for rehearing and reconsideration of Decision No. 89783. As a part of that petition T.U.R.N. requests a stay of that decision "... pending rehearing and/or judicial review." After consideration we are of the opinion that no good cause for granting such a stay has been made to appear.

T.U.R.N.'s petition for rehearing and reconsideration is now being reviewed and the allegations contained therein will be dealt with in a subsequent order. However, we believe that the request for a stay should be addressed at this time.

IT IS THEREFORE ORDERED that a stay of Decision No. 89783 is hereby denied.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 30 day
of JANUARY, 1979.
