ORDER OF DISMISSAL

This is a complaint by AE Realty Partners against Pomona Valley Water Company. A duly noticed public hearing was held in this matter on May 1, 1978, and it was submitted on May 15, 1978. After the matter was submitted, it appeared that evidence referred to in briefs, but not presented at the hearing, might have significance in the determination of the matter. The assigned administrative law judge contacted the parties about the need to reopen the matter with amended pleadings. Complainant has filed a written request asking that the complaint be dismissed. Defendant concurs in the request. In the circumstances the matter should be dismissed.

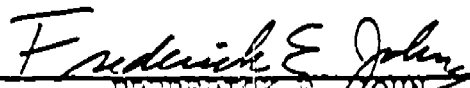

IT IS ORDERED that Case No. 10516 is hereby dismissed.

C.10516 fc

This order is issued pursuant to Section 308 of the Public Utilities Code and Resolution No. A-4638.

The effective date of this order shall be thirty days after the date hereof.

Dated at San Francisco, California, this 13th day of MARCH, 1979.
