Decision No: 90254

MAY 8 1979

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the applications of ANDREW E. STEVENS and ELIZABETH STEVENS, husband and wife for authority to purchase and operate the TRI-PALM ESTATES sewer system; and NATIONAL GYPSUM COMPANY (dba TRI-PALM ESTATES) for authority to sell the TRI-PALM ESTATES sewer system.

Application No. 58230
(Filed July 14, 1978)

ORDER EXTENDING TIME

In Decision No. 89455, effective October 3, 1978, the Commission authorized the National Gypsum Company (dba Tri-Palm Estates) to sell and Andrew E. Stevens and Elizabeth Stevens to buy the Tri-Palm Estates sewer system, on or before December 31, 1978.

Buyer, Andrew E. Stevens, requests that our approval of the proposed transaction be extended to March 31, 1979, as additional time proved necessary to close escrow. Buyers took control of the sewer system on February 1, 1979, but escrow was not closed until March 1, 1979. There having been no objection to this sale and transfer, and it appearing to the Commission that this extension should be granted; therefore,

A. 58230

IT IS ORDERED that Ordering Paragraph 1 of Decision No. 89455 is modified to read as follows:

"1. On or before March 31, 1979, National Gypsum Company may sell and transfer the sewer system (and other assets) referred to in the application to Andrew E. Stevens and Elizabeth Stevens."

The effective date of this order shall be the date hereof.

8th Dated at San Francisco, California this
day of MAY, 1979.
