SECOND INTERIM OPINION AND ORDER

Decision No. 90478, entered today in Case No. 5432 (Petition 1042), et al., and Case No. 5440 (Petition 108) provided that Minimum Rate Tariff 10 should be made subject to additional cost offset increases and that amendment of the tariff by surcharge supplement should be accomplished by separate order.

IT IS ORDERED that:

1. Minimum Rate Tariff 10 (Appendix A to Decision No. 44633, as amended) is further amended by incorporating therein, to become effective July 8, 1979, Supplement 26, attached hereto and by this reference made a part hereof.
2. Common carriers subject to the Public Utilities Act, to the extent that they are subject to Decision No. 44633, as amended, are directed to establish in their tariffs the increases necessary to conform with the further adjustments ordered herein.
3. Common carriers maintaining rates on a level other than the minimum rates for transportation for which rates are prescribed in Minimum Rate Tariff 10 are authorized to increase such rates by the same amounts authorized by this decision for Minimum Rate Tariff 10 rates.

4. 5. Common carriers maintaining rates at levels other than the minimum rates for the transportation of commodities and/or for transportation not subject to Minimum Rate Tariff 10 are authorized to increase such rates by the same amounts authorized by this decision for Minimum Rate Tariff 10 rates.

6. Common carriers maintaining rates not otherwise referred to in other ordering paragraphs of this decision are authorized to increase such rates by 4 1/2 percent.

7. Tariff publications required to be made by common carriers as a result of this order shall be filed not earlier than the effective date of this order and may be made effective not earlier than the effective date of the supplement attached hereto on not less than one day's notice to the Commission and to the public; as to tariff publications as are authorized, but not required, the authority shall expire unless exercised within sixty days after the effective date of this order.

8. Common carriers, in establishing and maintaining the rates authorized by this order, are authorized to depart from the provisions of Section 461.5 of the Public Utilities Code to the extent necessary to adjust long- and short-haul departures now maintained under outstanding authorizations; such outstanding authorizations are hereby modified only to the extent necessary to comply with this order; and schedules containing the rates published under this authority shall make reference to the prior orders authorizing long- and short-haul departures and to this order.

9. In all other respects, Decision No. 44633, as amended, shall remain in full force and effect.

10. The Executive Director shall serve a copy of this decision on every common carrier, or such carriers' authorized tariff publishing agents, performing transportation services subject to Minimum Rate Tariff 10.

11. The Executive Director shall serve a copy of the tariff amendments on each subscriber to Minimum Rate Tariff 10.
