Application No. 59094  
(Filed August 24, 1979)

OPINION AND ORDER

By this application, Western Motor Tariff Bureau, Inc., Agent (WMTB), seeks authority on behalf of Kyle O. Mayes Co., Inc. (MK10), to increase rates for tank truck vacuum and pump services. WMTB proposes to cancel MK10 from Item 200 of its Local Vacuum and Pump Truck Tariff No. 7, Cal. P.U.C. No. 17 (WMTB 7) and add MK10's participation in Item 220 of the same tariff.

Applicant states that in MK10's opinion, the existing charges in Item 200 of WMTB 7 are insufficient to recover its costs and in order to more nearly meet expenses MK10 desires to charge the higher rates in Item 220 of WMTB 7.

Applicant has been advised by MK10 that the proposed increases would increase its yearly revenue by less than \$3,000, and that if the application is granted it would not increase MK10's gross revenue on intrastate traffic by as much as one percent. The amount of increase is within the President's wage-price guidelines.

The application was listed on the Commission's Daily Calendar of August 27, 1979. No objection to the granting of the application has been received.

In the circumstances, it appears, and the Commission finds, that increases resulting from the proposal herein are justified. A public hearing is not necessary. The Commission concludes that the application should be granted.

IT IS ORDERED that:

1. Western Motor Tariff Bureau, Inc., Agent, is hereby authorized, on behalf of Kyle O. Mayes., Inc., to publish amendments to its Local Vacuum and Pump Tariff No. 7, Cal. P.U.C. No. 17, as specifically proposed in the application.

2. Tariff publications authorized to be made as a result of the order herein shall be filed not earlier than the effective date of this order and may be made effective not earlier than five days after the effective date of this order on not less than five days' notice to the Commission and to the public.

3. The authority herein granted shall expire unless exercised within ninety days after the effective date of this order.

This order shall become effective thirty days after the date hereof.

Dated SEP 25 1979, at San Francisco, California.
