FIFTH INTERIM OPINION AND ORDER

Decision No. 90890, entered today in Case No. 5432 (Petition 1042), et al., and Cases Nos. 5604 (Petition 64) and 8808 (Petition 47) provided that Minimum Rate Tariffs 12-A and 18 should be made subject to additional cost offset increases and that amendment of the tariffs by surcharge supplements should be accomplished by separate order.

IT IS ORDERED that:

1. Minimum Rate Tariff 12-A (Appendix A to Decision No. 85573, as amended) is further amended by incorporating therein, to become effective October 28, 1979, Supplement 8, attached hereto and by this reference made a part hereof.

2. Minimum Rate Tariff 18 (Appendix B to Decision No. 72418, as amended) is further amended by incorporating therein, to become effective October 28, 1979, Supplement 18, attached hereto and by this reference made a part hereof.

3. Common carriers subject to the Public Utilities Act, to the extent that they are subject also to Decisions Nos. 85573 and 72418, as amended, are directed to establish in their tariffs the increases necessary to conform with the further adjustments ordered by this decision.

4. Tariff publications required to be made by common carriers as a result of this order shall be filed not earlier than the effective date of this order and may be made effective not earlier than the effective date of the supplements attached hereto on not less than five days' notice to the Commission and to the public; as to tariff publications as are authorized, but not required, the authority shall expire unless exercised within sixty days after the effective date of this order.

5. Common carriers, in establishing and maintaining the rates authorized by this order, are authorized to depart from the provisions of Section 461.5 of the Public Utilities Code to the extent necessary to adjust long- and short-haul departures now maintained under outstanding authorizations; such outstanding authorizations are hereby modified only to the extent necessary to comply with this order; and schedules containing the rates published under this authority shall make reference to the prior orders authorizing long- and short-haul departures and to this order.

6. Common carriers are authorized to depart from the Commission's tariff circular requirements only to the extent necessary in establishing the surcharge supplements authorized by this order.

7. In all other aspects, Decisions Nos. 85573 and 72418, as amended, shall remain in full force and effect.

8. The Executive Director shall serve a copy of this decision on every common carrier, or such carriers' authorized tariff publishing agents, performing transportation services subject to Minimum Rate Tariffs 12-A and 18.

9. The Executive Director shall serve a copy of each of the tariff amendments on each subscriber to Minimum Rate Tariffs 12-A and 18.
