Application No. 57800
(Filed January 13, 1978)

ORDER RESCINDING DECISION 89471

By Decision 89471, dated October 3, 1978, in Application 57800, Island Enterprises, Inc., a corporation, was granted a certificate of public convenience and necessity to operate as a vessel common carrier to transport passengers and their hand baggage in a "water taxi shoreboat service" between anchored vessels and the shore and between certain points on Santa Catalina Island. To implement service pursuant to the authority Island Enterprises intended to acquire a vessel named Shirley Ann, which is 9 tons net register. Applicant, otherwise, operates vessels under 5 tons net register, exempt from the Commission's jurisdiction pursuant to Section 1007(c) of the Public Utilities Code.

On April 25, 1979, Island Enterprises was requested by staff to comply with Ordering Paragraph 2, requiring the filing of tariffs and timetables, which had been due January 31, 1979. A letter to the company advised that steps would be taken to cancel the authority if the tariffs and timetables were not received by May 31, 1979. Follow-up telephone calls were made on June 11, 1979, and July 20, 1979. On both occasions staff was advised that the vessel to be employed in the certificate was being negotiated for sale.

It appears and the Commission finds that these matters constitute good cause for rescinding Decision 89471.
