increases in rates for the	)	
account of Speed's Oil Tool	)	
Service, Inc.	)	

OPINION AND ORDER

By this application, Western Motor Tariff Bureau, Inc., Agent (WMTB), seeks authority on behalf of Speed's Oil Tool Service, Inc., (Speed) to increase rates for tank truck vacuum and pump services.<sup>1/</sup> WMTB proposes to amend Item 220 of its Local Vacuum and Pump Truck Tariff No. 7, Cal. P.U.C. No. 17 (WMTB 7) so that Speed may assess the Territory A published scale of rates when it provides these specialized services.

Applicant states that in Speed's opinion, the existing charges applicable to Territory B, as set forth in Item 220 of WMTB 7, are insufficient to recover its costs, and in order to more clearly meet expenses, Speed desires to charge the higher published rates as set forth in Territory A of Item 220 of WMTB 7.

Applicant has been advised by Speed that the proposed increases would increase its yearly revenue by less than \$3,000, and that if the application is granted it would not increase Speed's gross revenue on intrastate traffic by as much as one percent. The amount of increase is within the President's wage-price guidelines.

---

<sup>1/</sup> Speed's Oil Tool Service, Inc. provides transportation services in the county of Santa Barbara.

The application was listed on the Commission's Daily Calendar of August 27, 1979. No objection to the granting of the application has been received.

In the circumstances, the Commission finds that increases resulting from the proposal herein are justified. A public hearing is not necessary. The Commission concludes that the application should be granted.

IT IS ORDERED that:

1. Western Motor Tariff Bureau, Inc., Agent, is hereby authorized, on behalf of Speed's Oil Tool Service, Inc., to publish amendments to its Local Vacuum and Pump Truck Tariff No. 7, Cal. P.U.C. No. 17, as specifically proposed in the application.

2. Tariff publications authorized to be made as result of the order herein shall be filed not earlier than the effective date of this order and may be made effective not earlier than five days after the effective date of this order on not less than five days' notice to the Commission and to the public.

3. The authority herein granted shall expire unless exercised within ninety days after the effective date of this order.

This order shall become effective thirty days after the date hereof.

Dated NOV 6 1979, at San Francisco, California.
