Decision No.

91074

NOV 30 1979

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Investigation on the Commission's own motion into the rates, rules, charges, operations, business practices, contracts, services, property and facilities of every person, corporation, individual, partnership, joint venture or other entity which operates any pipeline for the transportation of crude or refined petroleum products within the State of California.

Case No. 9893 (Filed April 1, 1975)

ORDER DISCONTINUING PROCEEDINGS

This Order Instituting Investigation was issued on April 1, 1975. No hearings have been held. It now appears that the public interest will not be adversely affected if this proceeding is discontinued without prejudice to its being reopened at a later time should circumstances so require.

IT IS ORDERED that the investigation into the rates, rules, charges, operations, business practices, contracts, services, property and facilities of every person, corporation, individual,

partnership, joint venture, or other entity which operates any pipeline for the transportation of crude or refined petroleum products within the State of California, Case No. 9893, is discontinued.

The effective date of this order shall be thirty days after the date hereof. NOV 30 1979

, at San Francisco, California.

JOHN E. BRYSON Commissioner

Present but not participating.
