SIXTH INTERIM OPINION AND ORDER

Decision No. 91258, entered today in Case No. 5432 (Petition 1042), et al., and Cases Nos. 5437 (Petition 305), 9819 (Petition 36), and 9820 (Petition 14) provided that Minimum Rate Tariffs 7-A, 17-A, and 20 should be made subject to additional cost offset increases and that amendment of the tariffs by surcharge supplements should be accomplished by separate orders.

IT IS ORDERED that:

1. Minimum Rate Tariff 7-A (Appendix B to Decision No. 82061, as amended) is further amended by incorporating therein, to become effective February 2, 1980, Supplement 17, attached hereto and by this reference made a part hereof.
2. Minimum Rate Tariff 17-A (Appendix C to Decision No. 80578, as amended) is further amended by incorporating therein, to become effective February 2, 1980, Supplement 21, attached hereto and by this reference made a part hereof.

3. Minimum Rate Tariff 20 (Appendix A to Decision No. 81799, as amended) is further amended by incorporating therein, to become effective February 2, 1980, Supplement 15, attached hereto and by this reference made a part hereof.

4. Common carriers subject to the Public Utilities Act, to the extent that they are subject also to Decisions Nos. 82061, 80578, and 81799, as amended, are directed to establish in their tariffs the increases necessary to conform with the further adjustments ordered by this decision.

5. Tariff publications required to be made by common carriers as a result of this order shall be filed not earlier than the effective date of this order and may be made effective not earlier than the effective date of the supplements attached hereto on not less than five days' notice to the Commission and to the public; as to tariff publications as are authorized, but not required, the authority shall expire unless exercised within sixty days after the effective date of this order.

6. Common carriers, in establishing and maintaining the rates authorized by this order, are authorized to depart from the provisions of Section 461.5 of the Public Utilities Code to the extent necessary to adjust long- and short-haul departures now maintained under outstanding authorizations; such outstanding authorizations are hereby modified to the extent necessary to comply with this order; and schedules containing the rates published under this authority shall make reference to the prior orders authorizing long- and short-haul departures and to this order.

7. In all other respects, Decisions Nos. 82061, 80578, and 81799, as amended, shall remain in full force and effect.

8. The Executive Director shall serve a copy of this decision on every common carrier, or such carriers' authorized tariff publishing agents, performing transportation services subject to Minimum Rate Tariffs 7-A, 17-A, and 20.

C. 5437, Pet. 305, et al. - FS

9. The Executive Director shall serve a copy of the tariff amendments on each subscriber to Minimum Rate Tariffs 7-A, 17-A, and 20.

The effective date of this order is the date hereof.

Dated JAN 15 1980, at San Francisco, California.
