

Decision No. 91330

FEB 13 1980

**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of  
INDUSTRIAL COMMUNICATIONS SYSTEMS, INC.,  
a California corporation, for authorization  
to merge Victor Radio Telephone Corporation,  
a California corporation, into itself and to  
cancel all issued and outstanding shares of  
stock of Victor Radio Telephone Corporation.

Application No. 58693  
(Filed February 21, 1979)  
and  
Petition for  
Extension of Time  
(Filed November 30, 1979)

ORDER EXTENDING TIME

Decision No. 90320, dated May 22, 1979 in this proceeding authorized Industrial Communication Systems, Inc. (ICS) to merge into itself its wholly-owned subsidiary, Victor Radio Telephone Corporation (Victor Radio) and to cancel all the issued and outstanding shares of stock of Victor Radio. The decision required that the merger be completed on or before December 31, 1979, unless exercised by that date the authority granted would expire.

Because of litigation pending before the Federal Communications Commission over the transfer of Victor Radio's radio station license to ICS, the completion of the proposed merger will therefore be delayed beyond the December 31, 1979 deadline imposed by Decision No. 90320.

The authority sought by this petition for the extension of time is sought pursuant to Section 701 of the Public Utilities Code. Notice of the filing of the Petition for Extension of Time appeared on the Commission's Daily Calendar of December 3, 1979.

In the circumstances, the Commission finds that Applicant's request is reasonable and would not be adverse to the public interest. A public hearing is not necessary. The Commission concludes that the request for an extension of time should be granted.

ORDER

IT IS ORDERED that the time within which Industrial Communication Systems, Inc. and Victor Radio Telephone Corporation may complete the merger initially authorized by Decision No. 90320 in this proceeding is hereby further extended to December 31, 1980.

The effective date of this order is the date hereof.

Dated FEB 13 1980 at San Francisco, California.
