Application No. 58302
(Filed August 18, 1978)

ORDER OF REVOCATION

By Decision No. 90514, dated July 3, 1979, in Application No. 58302, Michael A. Kadletz, dba Goodtime Tours and Company (Goodtime), was granted a certificate of public convenience and necessity to establish and operate a one-half day narrated round-trip sightseeing tour from certain points in Anaheim and Buena Park to the Newport Beach - Laguna Beach areas.

The decision required Goodtime to file tariffs and timetables and to establish the service within one hundred twenty days after the order's effective date. The decision, additionally, required Goodtime to comply with the insurance requirements of the Commission's General Order No. 101-Series.

By letter dated August 8, 1979, staff of the transportation division advised the owner, Mr. Kadletz, of Goodtime's need to file a written acceptance of the certificate, to file a tariff, a timetable, and a certificate of insurance. Mr. Kadletz was further informed that he had until December 1, 1979, to file the documents and to establish the service. Goodtime has not responded to the letter, has not made an insurance filing, nor filed tariffs or timetables.

It appears and the Commission finds that these matters constitute good cause for the revocation of the aforementioned

certificate and that such revocation would not be adverse to the public interest. The Commission, therefore, concludes that the certificate should be revoked.

IT IS ORDERED that the certificate of public convenience and necessity to operate as a passenger stage corporation authorized by Decision No. 90514 is hereby revoked upon the effective date of this order.

The Executive Director shall mail a certified copy of this order to:

Mr. Michael A. Kadletz
Goodtime Tours & Company
635 W. Erna
La Habra, CA 90631

The effective date of this order shall be thirty days after the date hereof.

Dated MAR 4 1980, at San Francisco, California.
