Application No. 54997

SUPPLEMENTAL OPINION AND ORDER

Decision No. 91346 dated February 13, 1980 in Application No. 54997 authorized, among other things, Alltrans Express U.S.A. Inc. (Alltrans) and Delta Lines, Inc. (Delta) to file tariffs on less than statutory notice.

It has come to the Commission's attention that Alltrans did not possess express operating rights prior to the issuance of Decision No. 83292. Consequently, the findings and ordering paragraphs of Decision No. 91346 erroneously stated said rights when referring to Alltrans.

In the circumstances, the Commission finds that the necessary corrections should be made by the order herein. A public hearing is not necessary. The Commission concludes that Decision No. 91346 should be amended, eliminating all references to express operating rights in connection with Alltrans.

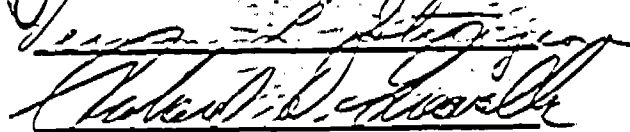

IT IS ORDERED that:

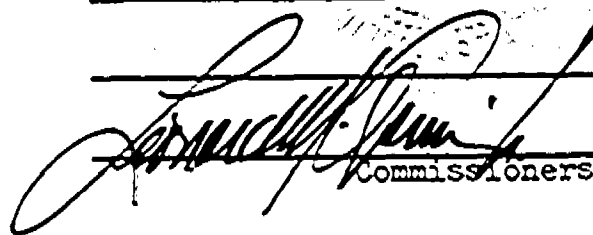

1. Decision No. 91346 dated February 13, 1980 in Application No. 54997 is hereby amended by eliminating all references to express operating rights in connection with Alltrans Express U.S.A., Inc.
2. In all other respects Decision No. 91346 shall remain in full force and effect.

The effective date of this order is the date hereof.

Dated MAR 18 1980, at San Francisco, California.
