ORDER DENYING REHEARING
OF DECISION NO. 91108

Petitions for rehearing of Decision No. 91108 have been filed by California Manufacturers Association, General Motors Corp. and Southwestern Portland Cement Co., We have considered the allegations of error contained in these petitions and are of the opinion that good cause for granting rehearing has not been shown. However finding 8, on page 19, mimeo., should be modified. Therefore,

IT IS HEREBY ORDERED THAT the last sentence of finding 8 on page 19, mimeo. is deleted. That finding shall read in full as follows:

8. Service under Schedule G-2 (nonresidential) is primarily to small businesses. It will be reasonable to maintain Schedule G-2 rates at or near the average system rate in cents per therm

(less the lifeline sales and revenues). The customers served under this schedule are high priority customers who do not have the capability to use alternate fuel and who are not accorded lifeline rates and allowances.

Rehearing of D.91108 as modified herein is denied.

The effective date of this order is the date hereof.

Dated on MAR 12 1980, at San Francisco, California.
