ORDER DENYING REHEARING  
OR MODIFICATION

The Regents of the University of California, on behalf of the Berkeley campus (UC), have filed a petition for rehearing or in the alternative modification of Decision No. 91107, issued December 19, 1979. We have considered all of the allegations raised therein, and are of the opinion that insufficient grounds for granting rehearing or modification have been shown. If the manner in which UC is being billed under its contract with the Pacific Gas and Electric Company continues to be a matter of dispute between these parties, UC may, of course, file a formal complaint with the Commission. Therefore:

IT IS ORDERED that rehearing or modification of Decision No. 91107 is hereby denied.

The effective date of this order is the date hereof.

Dated MAY 6 1980, at San Francisco, California.

I abstain.

LEONARD M. GRIMES, JR. Commissioner
