(Filed May 31, 1977)

ORDER OF REVOCATION

Commission Decision 88352, dated January 17, 1978, granted a Certificate of Public Convenience and Necessity to Sarah E. Moore and Jill E. Lawson, to operate as a Passenger Stage Corporation (PSC 1031) as defined in Section 226 of the Public Utilities Code, transporting passengers between downtown Los Angeles and various campsites in Southern California.

By letter dated January 24, 1979, Sarah E. Moore and Jill E. Lawson informed the Commission that they could not obtain insurance at a reasonable price and would not commence service. They requested that their certificate be revoked.

The Commission finds that such revocation would not be adverse to the public interest. The Commission, therefore, concludes that the certificate should be revoked.

IT IS ORDERED that the Certificate of Public Convenience and Necessity to operate as a Passenger Stage Corporation authorized by Decision ~~89092~~ is hereby revoked upon the effective date of this order. 88352
