(Filed February 26, 1980)

ORDER OF DISMISSAL

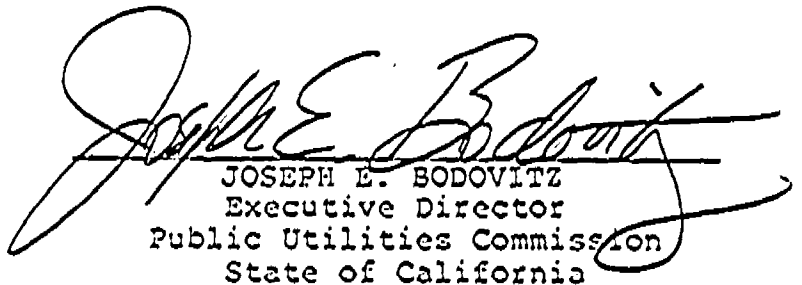

On May 7, 1980 the Administrative Law Judge (ALJ) to whom Application No. 59479 was assigned received a telephone call from applicant Bruce Mangels who stated that he wanted Application No. 59479 dismissed as he was going out of business. He was requested by the ALJ to submit his motion to dismiss by letter to the Commission. No such written request was received. On June 13, 1980 the ALJ advised applicant that if the Commission did not receive a written request from applicant that he wanted to pursue the case that an order to dismiss the application would be processed through the Commission. June 30, 1980 has passed and no such written request has been received. Therefore,

IT IS ORDERED that Application No. 59479 is dismissed.

This order is issued pursuant to Section 308 of the Public Utilities Code and Resolution No. A-4638.

The effective date of this order shall be thirty days after the date hereof.

Dated July 15, 1980, at San Francisco, California.
