In the Matter of the Application of  
Southern California Water Company for  
a certificate that public convenience  
and necessity require the exercise of  
the rights and privileges conferred  
under a franchise granted by the City  
of Norwalk, the City of Hawthorne,  
and the City of Inglewood.

Application No. 59825  
(Filed July 24, 1980)

ORDER OF DISMISSAL

Southern California Water Company has requested in writing that its application be withdrawn and that filing fees of \$225 be refunded.

A certificate that public convenience and necessity require the exercise of franchise rights is no longer required.

IT IS ORDERED that:

1. Application No. 59825 is dismissed.

2. The Executive Director shall refund filing fees of \$225 to Southern California Water Company.

The effective date of this order shall be thirty days after the date hereof. ....
