Case No. 5330

SUPPLEMENTAL OPINION AND ORDER

Minimum Rate Tariff 4-B (MRT 4-B) names minimum rates and rules for the statewide transportation of uncrated used household goods and related articles by highway carriers.

It has come to the Commission's attention that Decision 91865 does not reflect the intent of said decision in regards to MRT 4-B.

Decision 91865 cancelled Special Commodity Tariff 4-B (Supplemental to Minimum Rate Tariff 4-B). By inadvertence the title page to MRT 4-B was not revised to reflect the intent of Assembly Bill 483 (AB 483). Decision 91865 said in part "With the enactment of AB 483, household good carriers solely possess the highway carrier rights for the transportation of used household goods and personal effects, office, store and institution furniture and fixtures. Other for-hire highway carriers are prohibited from hauling such used property."

The Commission finds that the proposed amendment to MRT 4-B is reasonable. A public hearing is not necessary. The Commission concludes that MRT 4-B should be amended accordingly by the order herein.

IT IS ORDERED that:

1. Minimum Rate Tariff 4-B (Appendix C to Decision 65521, as amended) is further amended by incorporating therein to become effective thirty-nine days after the date hereof, Second Revised Title Page, attached hereto and by this reference made a part hereof.

2. Tariff publications of common carriers shall be made effective not earlier than thirty-nine days after the date hereof on one day's notice to the Commission and to the public.

3. In all other respects, Decision 65521, as amended, shall remain in full force and effect.

4. The Executive Director shall serve a copy of this decision on every common carrier, or such carriers' authorized tariff publishing agents, performing transportation services subject to Minimum Rate Tariff 4-B.

5. The Executive Director shall serve a copy of the tariff amendment on each subscriber to Minimum Rate Tariff 4-B.

The effective date of this order shall be thirty days after the date hereof.

Dated OCT 8 1980, at San Francisco, California.

Commissioner Claire T. Dodrick, being necessarily absent, did not participate in the disposition of this proceeding.
