ORDER OF DISMISSAL

Applicant seeks a charter-party carrier of passengers permit. Public hearing in the matter was held during 1977 and 1978. Numerous parties protested the sought authority. Decision in the matter was withheld because of the review of applicant's operations by another governmental agency. The professional law corporation representing applicant has advised, by letter dated September 16, 1980, that its client is no longer in business in the area and has left no forwarding address and that it assumes there is no further interest in the matter. Attempts to contact applicant by telephone and certified mail have been unsuccessful. In the circumstances,

IT IS ORDERED that Application No. 57665 is dismissed.
The effective date of this order shall be thirty days
after the date hereof. ^{NOV 4 1980}
