Decision No. _____

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of Pozas Bros. Trucking Co. under the Shortened Procedure)	
Tariff Docket to publish tariff provisions resulting in increases because of proposed transfer of applicant's rates to Western Tariff Bureau, Inc. from another tariff bureau.)

OPINION AND ORDER

By this application, Pozas Bros. Trucking Co. seeks authority to transfer its participation from tariffs issued by James F. Hauser, Tariff Publishing Officer, Pacific Coast Tariff Bureau, Agent (PCTB), to tariffs published by Western Motor Tariff Bureau, Inc., Agent (WMTB).

Due to inherent differences between tariffs issued by PCTB and tariffs issued by WMTB, increases would result in the transfer. For example, applicant indicates that WMTB Tariff 111 provides for charges on shipments which were tendered for delivery and could not be accomplished through no fault of the carrier. PCTB Tariff 301 does not contain such provisions.

In no event would the increase in gross revenue derived from California intrastate traffic be as much as one percent. The negligible amount of increase is within the President's wage-price guidelines.

The application was listed on the Commission's Daily Calendar of August 22, 1980. No objection to the granting of the application has been received.

In the circumstances, the Commission finds that increases resulting from the proposal herein are justified. A public hearing is not necessary. The Commission concludes that the application should be granted.

IT IS ORDERED that:

1. Pozas Bros. Trucking, Co. is authorized to have its participation cancelled from tariffs issued by James F. Hauser, Tariff Publishing Office, Pacific Coast Tariff Bureau, Agent, and have its participation added to certain tariffs published by Western Motor Tariff Bureau, Inc., Agent, as specifically proposed in the application.

2. Tariff publications authorized to be made as a result of the order herein shall be filed not earlier than the effective date of this order and may be made effective not earlier than five days after the effective date of this order on not less than five days' notice to the Commission and to the public.

3. The cancellation of applicant's participation in Pacific Coast Tariff Bureau, Agent's tariff publications authorized herein shall be concurrent with the effective date of the adoption of Western Motor Tariff Bureau, Inc., Agent's tariff publications authorized herein.

4. The authority granted herein shall expire unless exercised within ninety days after the effective date of this order.

The effective date of this order shall be thirty days after the date hereof.
