ORDER DENYING REHEARING  
OF DECISION NO. 92108

A petition for rehearing of Decision No. 92108 has been filed by Toward Utility Normalization (TURN). The Pacific Telephone and Telegraph Company has filed a response thereto asking that rehearing be denied.

We have carefully considered each and every allegation of error in TURN's petition and are of the opinion that good cause for granting rehearing has not been shown. Therefore,

IT IS ORDERED that, rehearing of Decision No. 92108 is denied.

The effective date of this decision is the date hereof.

Dated NOV 4 1980, at San Francisco, California.
