ORDER MODIFYING DECISION

Decision No. 91245 in this investigation (January 15, 1980) found that Steve T. Allen, doing business as Riggs and Allen Transportation (Allen) undercharged certain shippers. Allen was ordered to collect the undercharges and was ordered, inter alia, to pay a \$5,000 fine pursuant to Public Utilities Code Section 3774. (Rehearing was denied by Decision No. 91838 dated May 20, 1980.)

On August 27, 1980, Allen wrote to the Commission requesting that he not be required to pay the \$5,000 in a lump sum, because of other pending debts. The Transportation Division has no objection to modification of Decision No. 91245 provided that monthly payments be at least \$400.

We believe such modification is reasonable.

IT IS ORDERED that Ordering Paragraph 1 of Decision No. 91245 is modified to read:

1. Steve T. Allen (Allen) shall pay a fine of \$5,000 to this Commission pursuant to Public Utilities Code Section 3774. Said fine shall be paid in installments of at least \$400 per month, including interest at the rate of seven percent per annum on the unpaid balance, commencing on November 1, 1980.

The effective date of this order shall be the date hereof.

Dated NOV 18 1980 at San Francisco, California.
