ORDER DENYING PETITION TO REOPEN
 AND TO MODIFY DECISION NO. 92115

On September 18, 1980, Southern California Edison Company (Edison) filed a petition for rehearing of Decision No. 92115. Since Edison's petition does not raise legal error, it has been retitled petition for modification and we consider it as a petition to reopen these proceedings and to modify Decision No. 92115.

We have considered Edison's petition and the staff's response and conclude that Edison's petition to reopen these proceedings and to modify Decision No. 92115 should be denied.

IT IS ORDERED that the petition of Southern California Edison Company to reopen these proceedings and to modify Decision No. 92115 is denied.

The effective date of this order shall be thirty days after the date hereof.

Dated NOV 18 1980, at San Francisco, California.
