No. 40

ORDER CORRECTING INADVERTENT ERROR

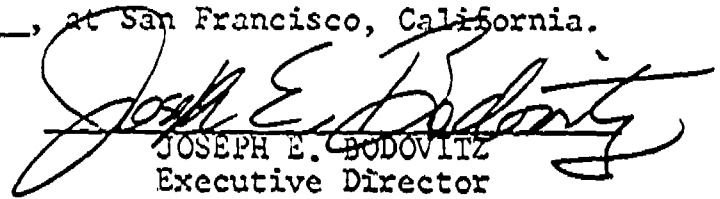

Decision No. 92477 dated December 2, 1980 in this proceeding established a reduced rate rule in Item 130 of Minimum Rate Tariff 17-A for an initial haul each day of rock, sand or gravel between established production areas subject to certain conditions. Ordering Paragraph 1 of the decision inadvertently stated, contrary to the intent of the decision, that the tariff amendment was "on an interim basis."

Pursuant to Resolution No. A-4661,

IT IS ORDERED that this inadvertent error is corrected by striking the words "on an interim basis" from Ordering Paragraph 1 of Decision No. 92477.

The effective date of this order shall be thirty days after the date hereof.

Dated December 30, 1980, at San Francisco, California.
