Decision No. 92583

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of Airport Limousine Service of Sunnyvale, Inc., dba Airport Shuttle for authority to operate as a passenger stage corporation between points in Santa Clara and San Mateo Counties and the San Francisco International Airport and San Jose City Airport.

Application No. 59082  
(Petition for Modification  
filed October 3, 1980)

ORDER DENYING PETITION FOR  
MODIFICATION OF DECISION NO. 92196

Protestant P.S.P.A., dba Airport Connection, in its petition for modification dated October 3, 1980, requests that Application No. 59082 be reopened to allow protestant to submit evidence of alleged past and ongoing violations of applicant Airport Limousine Service of Sunnyvale, Inc., dba Airport Shuttle, which bears on applicant's fitness and of which protestant had no knowledge at the time it protested the application at the hearing. Protestant also alleges that there are inconsistencies in and between the authorities issued applicant in Decision No. 91503 in Application No. 59312 and the authority issued applicant in this application by Decision No. 92196 which requires a further hearing to eliminate the inconsistencies.

The Commission has considered each and every allegation in the petition for modification and is of the opinion that no good cause for reopening the proceeding or modifying Decision No. 92196 ~~has~~ been made to appear.

The alleged infractions, as pleaded, even if shown to be true at a further hearing, do not appear to warrant a denial of Application No. 59082. Any ongoing infractions should be brought to the Commission's attention through an informal or formal complaint. Application No. 59312 and this application were heard at different times, on different records, and on different sets of facts. There was no pretence or request made that the certificate should be made consistent.
