ORDER EXTENDING TIME

Decision No. 92350 dated October 22, 1980 authorized Joseph J. Antoniono and Florence I. Antoniono, doing business as Park Ridge Water Company, to sell and transfer the water system (and other assets) referred to in the application to Park Heights Mutual Water Company (Park) on or before December 1, 1980.

By letter received December 9, 1980 the parties advised they had been unable to complete the closing of escrow and sale because Park had not yet received its incorporation certificate from the Department of Corporations. An extension of time until **March 15, 1981** is requested in order to complete the processing of documents through the Department of Corporations and to close escrow. ✓

After consideration of the information contained in the parties' communication received December 9, 1980, we conclude that the request should be granted.

Since the time to transfer the water system has expired, this order should be made effective the date of signing.
