Application No. 60049
 (Filed October 31, 1980)

ORDER OF DISMISSAL

In Application No. 59368 we issued Decision No. 91954 on June 17, 1980, which granted Amador Stage Lines, Inc. a certificate for airport connection bus service between Sacramento and San Francisco International Airport. The decision provided for the filing of a petition for modification concerning service to Davis.

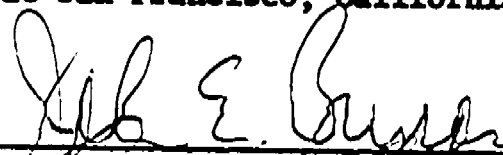

Such a petition was filed on October 31, 1980 but because it contained no number to the right of the caption, it was accepted for filing as this application.

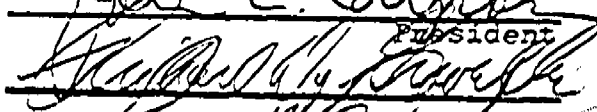

We find that the issues raised in this application are more properly disposed of by treating it as a petition for modification in Application No. 59368. A companion order grants the petition.

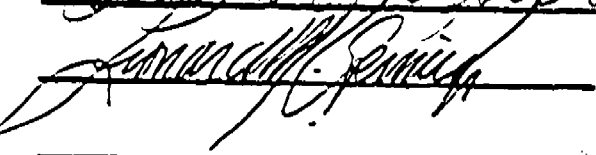

IT IS ORDERED that this application is dismissed.

The effective date of this order shall be thirty days after the date hereof.

Dated FEB 4 1981, at San Francisco, California.
