Decision No. 92765

MAR 3 1981

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of PUBLIC SERVICES PLANNING AND ANALYSIS CORPORATION dba BERKELEY-AIRPORT CONNECTION, for a Class "B" Certificate to operate as a charter-party carrier of passengers, Berkeley (TCP-47-B).

Application No. 57050 (Filed February 1, 1977)

ORDER OF REVOCATION

Decision No.91504, dated April 2, 1980, granted Public Services Planning and Analysis Corporation (applicant), doing business as Berkeley Airport Connection, a certificate of public convenience and necessity to be renewed each year to operate as a Class B charter-party carrier of passengers as described in Section 5383 of Public Utilities Code. Applicant also possesses a certificate of public convenience and necessity (PSC-1009) to provide airport service to San Francisco International Airport from various Bay Area points.

By letters dated July 18, 1980 and September 11, 1980, the Transportation Division staff requested applicant to file a written acceptance of the certificate and a certificate of insurance. On September 15, 1980, applicant informed the staff that it was no longer interested in obtaining a Class B certificate and will therefore not accept the authority granted by Decision No. 91504.

It appears and the Commission finds that these matters constitute good cause for the revocation of the aforementioned certificate and that such revocation would not be adverse to the public interest. The Commission, therefore, concludes that the certificate should be revoked.

IT IS ORDERED that the certificate of public convenience and necessity to operate as a Class B charter-party carrier of passengers, authorized by Decision No. 91504 is hereby revoked. Since there is no evidence of insurance on file, the effective date of this order should be the date of signature.

The Executive Director shall mail certified copy of this order to:

Public Services Planning and Analysis Corp.  
901 Ashby Avenue  
Berkeley, California 94710

The effective date of this order is the date hereof.

Dated     MAR 3 1981    , at San Francisco, California.
